

Home-School Agreement

At Northbourne CE (A) Primary School, our mission is to **Nurture Excellence**. We aim to do this through:

An inspiring curriculum that develops the unique talents of all of our children

Helping children learn about themselves and the world

Learning and growing together within the Christian story

We will do this through children, families and staff working together in a committed partnership.

We understand that, only by working closely with parents and family members, will we ensure that all children reach their potential, socially, emotionally and academically, during their time at Northbourne.

This Home-School agreement sets out what you can expect from us, and what we ask of you and your child in return. A copy of your signed response is kept in your child's file, and teachers display a copy of this agreement in each of their classrooms. This important document then forms the foundations of our work with parents and families to enable us to achieve our aims outlined above.

School will...	Parents and family members will...	Children will...
