

Puffin and Swan Class Curriculum Newsletter - Term 3

Our focus this term will be 'The 3 Little Pigs' and we will be looking at other fairy tales. We will also be doing some science investigations to look at changing materials.

Area of learning	Learning opportunities
Personal, social and emotional development	Challenging ourselves. Our learning dinosaur this term is 'Challengasaurus' and children will be rewarded for showing that they have accepted a challenge or tried to challenge themselves.
Communication and language	We are learning the story of 'The 3 Little Pigs'. We will be learning to tell the story and reading different versions of it. We will be drawing story maps to help tell the story.
Physical development	This term we will be doing gymnastics in PE. This will involve balance, rolling and jumping.
Literacy	We will be exploring different fairy tales and talking about the characters and setting in the stories. We will be writing about the different parts of the story 'The 3 Little Pigs'. We will be thinking about how we could change the story to make it different.
Maths	We will be focusing on different ways of making a number up to 10. We will be exploring how to find a missing number. We will also be learning names of 3D shape.
Understanding of the world	We will be looking at how we can change materials, such as by heating, melting or freezing. We will also be looking at change in other ways, for example mixing colours.
Expressive arts and design	We will be looking at different pieces of music and thinking about how we could dance to them. We will be thinking about changes to sounds.

You should have received a letter asking for a £3 donation towards materials this term. We are very grateful for any donations received.
